Youable Emotional Health's
Day Treatment program
offers support to students
12 - 18 years old who are
struggling with mental health
and the day-to-day stresses of
school.

Are emotional challenges making it difficult for students to cope with school life?

Our one-of-a-kind program may be the answer! Day Treatment at Youable offers:

- Small class sizes
- Regular individual & family therapy
- Monday through Friday schedule
- Transportation options
- One year to thoroughly complete program
- Combination of standard classwork and therapy each day
- Staff are licensed mental health workers, and teachers are employees of District 287 schools
